Residential on 4.00 Acres

Springbank, Rural Rocky View County, Alberta

Unobstructed mountain views define this 4-bedroom estate home situated on 4 acres in Springbank. With 4,741 square feet above grade and another 2,099 square feet of developed space below, the home offers 6,840 square feet of functional, well-designed living space. The lower level was renovated in 2001, and the main and upper floors were fully redone in 2011, including mechanical upgrades. The entire home features in-floor heating and air conditioning for year-round comfort.

A gated driveway leads to the property, and inside, a large front foyer with vaulted ceilings, skylights, and twin curved staircases sets the tone for the main floor. Wide plank hardwood floors run throughout, and the kitchen is located on the south side, designed with a large granite island, ample cabinetry, and generous counter space. Appliances include a commercial-grade refrigerator, 5-burner gas cooktop, double wall ovens, wine fridge, Fisher Paykel dishwasher, and a walk-in pantry with a stand-up freezer. A private patio with gas hookup is accessible from the kitchen for convenient outdoor cooking and dining.

Adjacent to the kitchen, the family room features a stone-clad gas fireplace, a curved staircase to the upper-level primary suite, and large windows facing the mountains. The formal dining room also has a gas fireplace and French doors to the west patio. A second

living area on the main floor includes another stone fireplace, built-in shelving, a second spiral staircase to the lower level, and more access to the west-facing patio. The main floor also includes a 2-piece bath and access to the triple in-floor heated garage with storage. Upstairs, all four bedrooms include private en-suites and walk-in closets. A laundry room is located on this level for added convenience. The primary suite on the south end has its own fireplace, mountain views, and a 5-piece ensuite with two sinks, plenty of storage, a walk-in steam shower, a large soaker tub, and a walk-in closet. The fully developed lower level includes a spacious rec room with space for a pool table, ping pong, and media area. There's also a custom wet bar with a full-sized fridge, wine fridge, and sink, along with a wine room and extra storage. The landscaped yard provides open space for outdoor activities, and the location offers quick access to top schools (Edge, Webber, Rundle, CFIS), recreation facilities, and Springbank Park for All Seasons—just minutes away.
